We have been having some really great events going on, including meetings, trainings, social get togethers, and protests. Our diligent helpers have been keeping the "Events" tab on our public Facebook page loaded up with all the information and details you need. Please make sure to check our Events tab regularly and find current and upcoming ways to get involved locally and in nearby areas.

Donate to the Cause

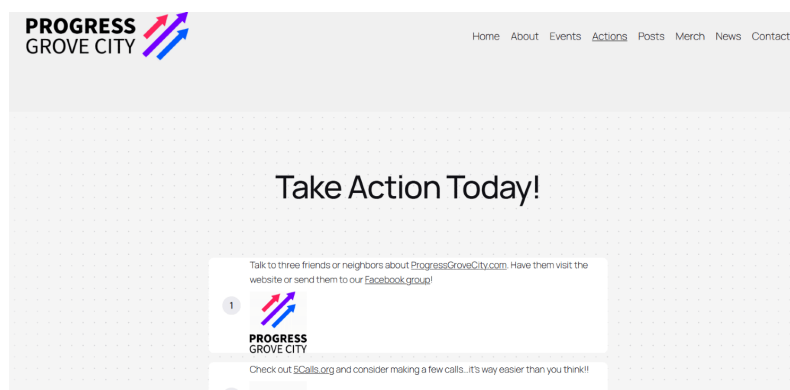

As many of you know, Progress has been collecting donations for an ongoing Underwear Fund for the SWCSD's Free Store that we support. The Free Store is able to accept and give used items, but cannot pass on used underwear. We have been able to hit our \$150 goal so that the amazing volunteers at the Free Store can ensure that our community members have access to free, new underwear!

We are still, as always, collecting for our Christmas Fund so that we are more prepared to support our local Head Start kids and families this holiday season.

Please keep an eye out for the next cause or program that we will be collecting for!

## April Meeting Recap

Our Spring Kickoff Meeting at Scioto Grove Metro Park was a fantastic success! It was great to see so many familiar faces and meet new ones, all while enjoying delicious food and exciting prizes.

We were thrilled to have special guests Mark Sigrist, the State Representative for District 10, and Anthony Wilson, Grove City Council Rep At-Large, join us. Their presence added a special touch to the event!

One of the highlights was the action item for attendees to introduce themselves to three fellow members. Many took the opportunity to chat with Rep. Sigrist to learn the best ways to reach out to him, and others engaged with Councilman Wilson to share their thoughts on our city.

If you missed out, don't worry! We have another exciting meeting coming up on May 18th. Make sure to sign up and join us!
